*From Chapter V: The Great Maṇḍala of Vajradhātu*

Boundless nature of great loving kindness,  
Great compassion, supreme intellect,  
Great knowledge and great intellect,  
Great skillful means and great activity. (verse 11)

*Chapter XI: Praise of the Wisdom of the Five Tathāgatas*

Homage to you, bestowing the supreme, supreme vajra.  
The best there is, homage to you.  
Homage to you, essence of emptiness.  
Buddha enlightenment, homage to you.

Buddha passion, homage to you.  
Buddha desire, we prostrate and pay homage.  
Buddha joy, homage to you.  
Buddha delight, we prostrate and pay homage.

Buddha smile, homage to you.  
Buddha laughter, we prostrate and pay homage.  
Buddha speech, homage to you.  
Buddha mind, we prostrate and pay homage.

Arising from nonexistence, homage to you.  
Homage to you, buddha arising.  
Arising from space, homage to you.  
Homage to you, arising from wisdom.

Net of illusion, homage to you.  
Homage to you, buddha dancer.  
Homage to you, the all for all.
